PRODUCT OVERVIEW

TURBOIDREX

NILMA · Vegetable washer with spin-dryer

Automatic vegetable washer with spin-dryer

90 L whirlpool washer for restaurants, hotels and small institutions — wash and dry in one machine.

TURBOIDREX mencuci sayuran, buah, daging dan ikan dengan sistem whirlpool berpaten di drum AISI 304 berlubang. Kotoran keluar lewat dinding dan dasar drum ke saluran pembuangan, tanpa filter.
Spin dryer 750 rpm mengeringkan ±1 kg sayuran dalam sekitar 1 menit. Satu siklus cuci hanya 3 menit dengan konsumsi air rendah.

WHIRLPOOL WASHING

Adjustable whirlpool: gentle on lettuce, intensive on carrots. Dirt passes through the perforated drum to the drain.

SPIN DRYER 750 RPM

Built-in spin dryer dries approx. 1 kg of vegetables in about 1 minute.

>90% LESS BACTERIA

Bacteriological analyses show the bacterial load on fresh vegetables reduced by more than 90%.

3-MINUTE CYCLE

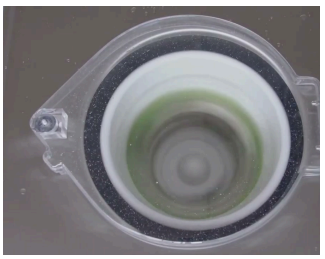

Per cycle: 4 kg leaf vegetables or 15 kg heavy vegetables, fruit or meat.
